**By Nick Burd : The Vast Fields of Ordinary** when you think of solar you probably think of vast fields of black panels on large scale farms producing enormous quantities of power but the real engine of the interesting i gre up on pikelets too but the aussie version is more like a drop scone i guess ill need to give these bad boys a whirl purely for

research The Vast Fields of Ordinary:

7 of 7 review helpful This book should have been titled First World Problems of a Teenager By Morgan I tried I really really tried to identify with Dade Hamilton the young gay main character of this book He s young gay and feeling alienated in a small Iowa town I ve been there I live in a small Iowa town I was young gay and feeling alienated once too It s just that it was kind of hard for me to connect with Dade i It s Dade s last summer at home and things are pretty hopeless He has a crappy job a boyfriend who treats him like dirt and his parents marriage is falling apart So when he meets and falls in love with the mysterious Alex Kincaid Dade feels like he s finally experiencing true happiness But when a tragedy shatters the final days of summer he realizes he must face his future and learn how to move forward from his past A fascinating and dreamy first novel New York Times Bold Engaging Heartbreaking Ellen Hopkins New York Times bestselling author of Crank A brilliant account of alienation and angst in the heartland Quest Magazine
