Caught in the Middle (Amhearst Mystery Series #1) (Steeple Hill Love Inspired Suspense #50):

0 of 0 review helpful Lois Lane More tween than teen book Good for young readers By Candace Lois Lane but younger and dumber This was just not a deep novel nor a who done it I enjoy reading the teen books before allowing others in the family to read it but the 15 yr olds all found this just too juvenile for them Perfect book for a 10 year old just passed the Encyclopedia Brown mysteries The writing is Judy Amhearst Pennsylvania was just the kind of place for new beginnings for brokenhearted reporter Merry Kramer But she soon discovered danger lurked behind the holly bushes when a dead body turned up in her car The trouble didn't end there mdash gunshots attacks and a handsome new friend who might not be what he seemed Surrounded by suspects Merry would have to use all her investigative skills to keep from becoming front page news mdash as the killer s next v From Library Journal Merry Kramer expected a bit of excitement along with her new job as a newspaper reporter and she gets it when she finds the dead body of a local Christian man in the trunk of her car Herself a Christian Merry feels compelled to track down
