0 of 0 review helpful Holiday Illusion By Marie A Bell Just finished this book today and I can t find the words to express how much I enjoyed it Her characters are so believable and the situations are solid and straightforward no confusion The mystery in this book kept turning and turning The only part I was disappointed in was a small section relating to one of the characters I would have liked more detail on thi To save a sick orphaned boy Anna Freeman must risk her own life Little Paulo desperately needs a new heart It s his only Christmas wish mdash well that and building his first snowman For the surgery Anna must take him to a hospital in the city she once called home A place she fled in fear years ago Which means telling Dr Lucas Bennett that the woman he s known all this time as a caring orphanage worker is really someone else Someone with a very frightening pas About the Author Lynette Eason grew up in Greenville SC and nbsp now lives in Spartanburg SC nbsp She is married and has nbsp two precious children Lauryn and Will nbsp Lynette is a nbsp stay at home homeschooling mom and full time writer nbsp Lynette nbsp
