1 of 1 review helpful EVERYONE HAS A SECRET By susan I am a major fan of Christy Barritt s writing That said I liked Hidden Agenda but did not love it The story did not grab me as her other suspense romance writings have It is not a book I just could not put down The plot is interesting but cluttered The characters are a bit lacking I didn t fully connect with the Bailey and Ed especially TO CATCH A KILLER nbsp Trusting the wrong person had gotten his father killed CIA agent Ed Carter isn t about to repeat the mistake Pulling a gun on nurse Bailey Williams may not have been the smartest idea but the beautiful caretaker is Ed s only suspect in the murder Problem is her vulnerable brown eyes claim innocence and set off his protective instincts The spark between them is undeniable but Bailey could never trust her life mdash or her heart mdash About the Author Christy Barritt loves stories and has been writing them for as long as she can remember When she rsquo s not working on books Christy writes articles for various publications She rsquo s also a frequent speaker at various writers groups wome
