**By Hannah Alexander : Hallowed Halls (Jerry B. Jenkins Select Books)** jul 04 2008nbsp;the congested northeast packs 60 million people into one corner of the country most of them scurrying around every workday somewhere within the long 1 i celebrate myself and sing myself and what i assume you shall assume for every atom belonging to me as good belongs to you i loafe and invite my soul Hallowed Halls (Jerry B. Jenkins Select Books):

1 of 1 review helpful So confused By Customer I m so confused on this book First of it wasn t a horrible book but the plot line was predictable The thing that got me was the random switch of small facts that didn t add up Of course I can t remember off the top of my head right now what they all were but for example the little boy getting stitches was named Dakota then a few pages later it s Dillon Um excuse me K When Dr Joy Gilbert is fired from a lucrative position she hates in the city she returns to her small hometown to find her former fiance single her once vivacious mother struggling financially and physically and Tressa the 15 ndash year ndash old daughter of the boss who just fired her popping out of the back door of her car Tressa refuses to return to the city where her divorced parents struggle emotionally over the death of their son When Dr Zack Tyler see About the Author Hannah Alexander is the pen name for a husband wife writing team in which the wife is the novelist and the husband provides medical expertise from his experience of many years as a physician Their romance has been written up in Charisma Magazin
