0 of 0 review helpful This was fun By Karl Merris I think Ms Nolan brought the cast of characters to life better here than in BOBBY BLANCHARD BLANCHARD was an interesting puzzle This story however is more a negotiation of character motivation Who am I really Who is she really And who are we together and apart The ending was cribbed from IT S A WONDERFUL LIFE That s the great thing about writing a par At the Magdalena Arms Residence for Women desires are awakened passions run hot and love might be waiting just a few doors away Dorian Dolly Dingle has been footloose and flighty for long enough At last she s resolved to focus on her showbiz career and move out of the Magdalena Arms Then landlady Mrs DeWitt breaks her hip and Dolly reluctantly agrees to fill in as temporary housemother While she grapples with home repairs and holiday preparations
