89 of 90 review helpful Unexpected Pleasure By Robin L McLaughlin Since getting my Kindle I ve read quite a few self published stories and books and while some of that stuff is so bad as to be unreadable I ve had fairly good luck with picking fiction that is at least decent even if somewhat flawed Usually the flaws show up in lack of editing and proof reading but often times the writers show a lot of promise or talent Winner 2010 EPIC Ebook Award for fiction in the Mainstream category The strong supple prose on display in all three novels the intelligence of the plotting and the skillfully varied pacing make this a standout trilogy highly recommended from a review by the Historical Novel Society Breathtakingly gorgeous writing hellip a multi layered tale of such depth breadth and insight that it was very nearly a spiritual experience hellip
