By Tionne Rogers : The Substitute - Book II a blood substitute also called artificial blood or blood surrogate is a substance used to mimic and fulfill some functions of biological blood after a botched mission in cuba professional mercenary shale and his crew joey six hollan rem and wellman head home to miami florida where shale is reunited
The Substitute - Book II:

Constantin Repin is well dead but Alexander Kuragin lives for you my angel I clearly said that you were closing a part of your life and I was opening another I love you too much to deny you this opportunity A fresh new start away from Lintorff and all the others Frustrated and disgusted with his life as Lord Consort of one of the most terrifying secret societies known to mankind a new world opened for artist Guntram de Lisle away from the man he loved but had h
