35 of 36 review helpful Nice Book for Younger Readers By drkhimxz To take the issue off the table I have seen the book referred to as a Christian Mystery While it is true this is a pious young woman who takes her churchgoing seriously I shouldn't think the average reader will be put off because the heroine has religion on her mind She is just as silly lovelorn injudicious reckless frivolous and what you will as th While transplanting the rosebush her church's handsome greeter Ethan Banning inadvertently killed Summer and Ethan discover a hidden stash of diamonds a rusty can full of cash and a bloody gardening glove This discovery sets Summer and her candy making aunt on a search for a killer As Summer gets closer to the truth not only of the theft but of her true feelings for Ethan the diamond thief hatches a plan to hush the feisty sleuth
