By Gerri Hill : The Rainbow Cedar rainbow landscape design inc welcome to rainbow landscape design inc we have been providing homeowners in toronto and the gta with quality landscape cedar lake memorial park campground

offers the regions finest outdoor family recreation a swimming beach over 600 of grassy The Rainbow Cedar:

2 of 2 review helpful Meh By Molly This book wasn t terrible However like many of Gerri Hill s more recent books The Rainbow Cedar has recycled characters and story lines from previous books A lot of Hill s books have become formulaic and unimaginative and feature characters that are a little annoying in their insistence on prolonging horrible relationships and indulging the abhorrent behavior of others It goes on so As interior designer Jay Burns watches her long term relationship slowly unravel she runs into literally landscape designer Drew Montgomery As their paths cross both professionally and personally a friendship develops one they each try to maintain despite the obvious attraction between them But still Jay is not willing to throw away an eight year relationship even when it becomes painfully obvious the end is near The Rainbow Cedar is the journey o
