By Anna Grace Michael : Signal Mountain: A Novel contact is a 1985 hard science fiction novel by american scientist carl sagan it deals with the theme of contact between humanity and a more technologically advanced all you need to know to get free hdtv in and around boise nampa and mountain home Signal Mountain: A Novel:

0 of 0 review helpful It s become one of my favorites By Joshua Miller A captivating tale of love adventure and moral dilemmas A real page turner I couldn t put it down Anna Michael is a rising star in the Christian young adult writing

world 0 of 0 review helpful It s filled with Christian values and has a great plot twist By Sean Knight It is one of those books Life changes quickly for young June Cuthbert as she travels to live with her aunt her last living relative The journey to her new home takes a turn perilously close to death with no promise of safety in the future The crash of the passenger train finds June fleeing for her life and landing squarely in the lap of conspirators where she is thrown into a case of mistaken identity Taking on the role of another woman may save her life but as a young man begins falling About the Author Anna Michael is a homeschool graduate with a bachelors degree in Biblical studies She has completed a two year course in the Writer s Guild of America and has co authored three scripts for local plays She is presently plotting her fourth novel
