1 of 1 review helpful Adventure Action Romance Couldn't Stop Reading By AnJoMom16 Silence in the Dark by Patricia I have read all four books in this series and LOVED them all Of course this is a book which deals with Christian issues BUT IS NOT PREACHY A good read for anyone looking for romance and adventure and action packed pages The other reviewers have posted what I would have said We have a young woman When Bailey Adams left Logan Point two years ago for Mexico she thought she was getting away from her problems Running into her ex fianc Danny Maxwell was not part of the plan neither was being chased through the city by the local drug cartel the Calatrava Now despite her best efforts Danny is her only chance of escaping the people chasing her and getting back to Logan Point safely Can Bailey find the strength to face what's coming And in the midst of the chaos c An exciting edge of your seat adventure There are enough twists and turns with the international intrigue to keep even astute mystery lovers invested RT Book s From the Back Cover Bailey Adams is running
