4 of 4 review helpful Not bad not great By DMO This is a book that was not easily visualized for me It felt loose and a bit undefined and underdeveloped It wasn t bad but neither was it something to rave about It s a pretty quick read and if you love horses and don t mind mild logistical issues and have a strong imagination to fill in the blanks you may find this to your liking You won t have to put up with bad editin Brendan Waddell needs a place to recuperate Lauren Everman needs a place to hide It rsquo s going to be an unexpectedly romantic Christmas at Bluebird Ranch Brendan Waddell has always considered Bluebird Ranch a little piece of heaven an idyllic ranch that pairs abused children with abused horses run by one of his old Marine buddies Now recovering from an on the job injury Brendan thinks the ranch is the perfect place to spend Christmas healing up Coble is a great writer she knows what readers want and she does not disappoint mdash Romantic Times
