1 of 1 review helpful Interesting By Precious Niya Rainbow Dreams by Fabiola Joseph is a good read This is not my

first book reading from this author Fab did a good job The storyline and grammar are on the point This book is definition of friendship love and roller coaster It s also dealing with drama and emotional I am looking forward to read more books from this author I hope there is be part 3 of Niya Do you know who you are Are you comfortable in your skin Outed by her best friend in front of the whole neighborhood Niya is trying to come to terms with being a lesbian When she falls for her straight neighbor Jamilla there is no more denying who she really is Niya will do whatever it takes to prove her love even if it means taking a life What will happen when family issues fame the struggle for love and reality set in How will Niya deal with About the Author A lover of literature good music movies and art Fabiola Joseph is multifaceted She was raised in Silver Spring Maryland While in middle school she found her passion for reading and writing She began her love affair with the power
