2 of 2 review helpful Absolutely Loved It By CLo I m a huge fan of Brayden and this story was great The two main characters were really the focus of the story with secondary characters firmly in the background At the beginning the story reminded me of the movie Center Stage then took on a little bit of Waiting in the Wings and then finished off as it s own tale One thing I absolutely love about Brayden s works is that Anastasia Mikhelson is the rising star of the New York City Ballet She rsquo s sacrificed creature comforts a social life as well as her own physical well being for perfection in dance Even her reputation as The Ice Queen doesn rsquo t faze her Though Ana rsquo s at the peak of her career competition from a new and noteworthy dancer puts all she rsquo s worked for in jeopardy While Natalie Frederico has shown herself to be a prodigy when it comes to b About the Author Melissa Brayden is a multi award winning author of seven lesbian romance novels and hard at work on her eighth in San Antonio Texas nbsp She also works really hard at remembering to do the dishes For personal enjoyment
