2 of 2 review helpful A refreshing real life love story Good for anyone who remembers or wonders what it feels like to fall in love By Katya and Thinking Mom Realistic story about falling in love with your best friend with all the risks involved plus the pressure of coming to terms with your sexuality and learning how to love another person while in the Hollywood spotlight I think that this is a love story New Adult novel recommended for 17 due to mature themes and sexual content Where does friendship stop and love begin At just 19 Kendall Bettencourt is Hollywood rsquo s hottest young starlet with the world at her feet ndash but behind the glamour and designer dresses is a girl who longs for normal Payton Taylor is Kendall rsquo s best friend since childhood and the one person who reminds her of who she really is About the Author Kristen Zimmer is a New Jersey based freelance writer and editor A member of the International Women s Writing Guild she holds a BA in English with a concentration in creative writing from Montclair State University Visit Kristen at authorkri
