0 of 0 review helpful Honor Series By Kindle Customer I had my initial reservations about this book at first I was concerned about a Secret Service agent getting involved with her charge for me it was more an issue of ethics I also was not used to Radclyffe writing such a spoiled and controlling femme lead like Blair She annoyed me so much and I honestly felt that she did not deserve Cam in the beginning One thing I In the expanded edition of the first in the Honor series Above All Honor introduces single minded Secret Service Agent Cameron Roberts and the woman she is sworn to protect mdash Blair Powell the daughter of the President of the United States Cam s duty is her life and the only thing that keeps her from self destructing under the unbearable weight of her own deep personal tragedy However she hasn t counted on the fact that her reluctant protectee will d About the Author Radclyffe is a two time recipient 2003 2004 of the Alice B award for Lesbian Fiction and has written numerous lesbian romances Safe Harbor and its sequel Beyond the Breakwater Innocent Hearts Love rsquo s Melody Lost Love rsquo s Tender
