0 of 0 review helpful Not as strong as the first book but still a great read By NMNS One of the critical reviews of this book says that Dev and Lee rsquo s story is over and we should move on There is some truth to this The first story

Out of Position with Dev hiding his sexuality from everyone was exciting and absolutely adorable Isolation Play has many characters that create con Its been over a month since Devlin Miski came out publicly and no other professional athlete has followed suit Dev just wants to put it all behind him and play football helping his Chevali Firebirds win their first ever division title If only his teammates and everyone else could just let it go he'd be fine But theres one teammate in particular who seems determined to make his life difficult
