sure what Popcorn Love:

9 of 9 review helpful Very surprising By Robert M I really enjoyed this book falling in love with Allison s character as anyone who has felt like the outsider at that age In reading some of the other reviews I see a star or two taken away because some felt it was too soft or romantic I personally did not interpret the characters as such Not to spoil the story but no the two did not run away from one another for hal A prominent figure amongst New York City rsquo s fashion elite Elena Vega is a successful businesswoman and single mother to an adorable three year old son Lucas Her love life however is lacking as those closest to her keep pointing out At the persistent urging of her closest friend Elena reluctantly agrees to a string of blind dates if she can find a suitable babysitter for Lucas Enter Allison Sawyer a free spirited senior at New York University Elena is i
