alsea from invasion captain ekatya Catalyst (Chronicles of Alsea) (Volume 4):

0 of 0 review helpful Great continuation By MJS I re read the others in this series books 1 3 before reading this because I knew it focussed more on Ekatya and Lhyn than books 2 3 did While the Caphenon was my least favourite of those three it provides invaluable background for this story and I appreciate those details more now Before reading this I thought it was going to be set during the same period as After disobeying orders and saving the planet of Alsea from invasion Captain Ekatya Serrado returns home a hero and renegade alongside Dr Lhyn Rivers now the foremost authority on a culture that fascinates and terrifies They share a secret they are tyrees linked by an Alsean empathic bond that should be biologically impossible for two Gaians The secret could cost Ekatya her career but when both women are drawn into a deadly political game their tyree bond may b Altogether a brilliant read and one that I found hard to put down All the books in the series portray the major players with deep complex and detailed personalities but this one takes us to another layer of psychological exploration while we are actually
