**By Jae : Heart Trouble** which vaccines do you need vaccines are especially important for people with cardiovascular disease learn which vaccines you need to protect your heart heart disease is the leading cause of death in the us learn about the different types of heart diseases and what you can do to try to prevent them Heart Trouble:

0 of 0 review helpful Heart warming supernatural story By Lov2laf Enjoyable satisfying read This is a well written romance with a unique twist Despite having a supernatural element the story had more realism than most and I was particularly satisfied with the last 1 3 of the book Per Jae s trademark she makes her leads earn each other and it s a slow burn romance In this genre known for insta love I ap Dr Hope Finlay loves her job as an emergency room physician especially since it allows her only brief encounters with her patients She learned early in life not to get attached to anyone because it never lasts Laleh Samadi a waitress at her aunt rsquo s restaurant is the exact opposite She easily connects with people and loves her big boisterous Persian family despite their tendency to meddle in her life When Laleh needs to be rushed to the ER with heart tr
